Fear No Music promotes music education through the high quality public performance of modern and contemporary classical music, and by offering groundbreaking youth mentorship in composition. This flexible chamber music ensemble comprised of some of Oregon's most talented performers promotes living composers and exposes audiences to new music being made both locally and globally through a uniquely relevant annual concert series. The group educates and trains the next generation of young composers by way of the Young Composers Project. Fear No Music is a 501(c)3 nonprofit organization.
